The URSA chest strap allows you to securely rig lavalier microphones onto a person's chest where sticky tape cannot be used. Available in four colours Black, Beige, Brown/Espresso and White. One size fits most chests with adjustable gripper straps. Polyurethane strips bonded to either side of the mic pouch prevent slipping. The ultra-thin strap fabric preventing visual intrusion even under tight clothing. Mic pouch has three sections accommodating most if not all mic sizes and mounts. The strap also has 'cable keepers' to keep the cable firmly in place without the use of tape. URSA Straps use certified OEKO-TEX hypoallergenic fabric and gripper. Machine Washable with detergent at 40 Degrees. Hang dry or Tumble Dry.

Handmade in the UK.

Dimensions: One size fits up to 45 inch chest. (1.1m long).

URSA Strap Care: Connect gripper on straps when washing.  
 40-60°C short wash  
 Hang to air dry or low heat tumble dry.  
 Keep straps and accessories sterile with URSA Zipper Cases, (available on request).

Three section Mic pouch.

Central pouch accommodating URSA Foamie, Minimount, RM11, DPA concealer or similar.

The thinnest section of the pouch would fit a COS11 or similar with the third section suitable for larger DPA microphones without a mount.
